**Today's player profile is** 27-year-old Steve Hutchinson who is another fine product of our junior ranks. Steve is one of the best all-rounders in the NYSD Division One. This affable endearing character is a flamboyant batsman of the highest quality and can destroy any attack on his day. Steve is also an excellent fielder and regularly chips in with a few wickets with his off-spinners. Steve is in his first season as 1<sup>st</sup> team captain and has made an excellent start with his decision making and has a 100% win record in games played so far.

## Redcar CC Monthly Summary

We have started our 1<sup>st</sup> X1 2012 campaign with 4 straight wins under new Skipper Steve Hutchinson. We beat Darlington 2nds by 7 wkts and Tom Urwin enhanced his reputation as one of the leading batsman in Division One with a fluent 105 not out. This was followed by wins at Yarm and at home to Whitby. Highlights of these games were veteran Mick McCabe's 4-21 v Yarm and Mike Rix's 6-26 v Whitby. Opener Ollie Rodgers has had an amazing start with 4 consecutive fifties. He was only out once so his average is a remarkable 270. Skipper Hutchy also contributed flamboyant knocks of 60 and 43 in these wins. We then beat Yarm at home who made 154, and the ageless Mick McCabe again rolling back the years with 3-27, new boy Ben Hutchinson took 2-26 and Mitchell Brown 2-17. We cruised home by 8 wkts thanks to Ollie's 52 not out and Sam Berry's effortless 59 not out. Another plus for the 1<sup>st</sup> team this year has been the promising start made by 17 year old opening bowler Billy Hodgson. He has been joined in the 1<sup>st</sup> team by 18 year old Mitchell Brown whose polished batting style and proficient bowling has resulted in his merited promotion. "Hutchy" reckons Mick McCabe is still highly regarded throughout the league because he overheard Whitby's skipper telling his side that "The other advantage Redcar have got when Mick McCabe is bowling is that he is not fielding". Despite an impressive start by new skipper Ben "Lambo" Hodgson the 2<sup>nd</sup> team lost in May to Maltby and Normanby Hall. Ben took 3-50 and 3-5 in those games and top scored with 29 in a disappointing 106 all out v Maltby. They did, however, beat Northallerton by 6 wkts. Mick Smallwood took 5-25 and spin King Davey Corps 4-18 in 'Allerton's 69 all out. The 3<sup>rd</sup>s beat Barnard Castle by 7 wkts with Brad Halliday taking 3-39, Mitchell Brown a fluent 68 not out and Rob Munro 56 not out. They then drew with Marton. Redcar hit 211-5 with Rob Munro continuing his good form with 53 not out and Jonathon Cooper smashing 47 not out including 7 4's, "3<sup>rd</sup> team Pro" Craig Potter hit 49. Marton replied with 172-7 with young Danny Jones taking 3-21. They then beat Richmond on a foggy Sunday when it was sunny everywhere else! Run machine Rob Munro hitting 46 and Rob Farrier 33 in a 4 wkt win. Part-time bowler and Skipper "Daddy cool" Keith Munro took 2-5 in **one over!**

## REDCAR CC NEWSLETTER – MAY 2012

We start this month with congratulations going to young Jamie Hood who was selected for Yorkshire Under-12s B Team for the games at Wakefield and Cumbria. Jamie made 15 not out and took 2-15 in his 4 overs against Cumbria. Twelve-year-old Jamie also played for Redcar U-17s recently and took a creditable 4 wickets in his 2 games against Guisborough. Congratulations also go to Sam Berry who has had an outstanding month in junior cricket hitting match-winning knocks for Redcar under 17s of 32 no, 26 no, 38no and 23no. He also took 3-12 v Normanby Hall and 2-6 v Guisborough. He topped the month off with 2 fifties for NYSD under 17s. These were an untroubled 72 against East Yorkshire in their 39 run victory at Hornsea and 52 v York league in NYSD's 8 run victory at Richmond.

### **"Three Pensioners Rule in 3rds Cup tie at Stokesley"**

Our Arthur Sanders 3<sup>rd</sup> team cup match at Stokesley was a highly entertaining affair. Stokesley made a challenging total of 138-4. Rob Munro took the experienced advice of Ian Patchett to bowl from the bowling green end. However Rob's 4 overs went for 33 including 3 6's onto the busy bowling green behind him. After retrieving the 3<sup>rd</sup> six Redcar fielder Bradley Halliday was harassed by an *irate pensioner* attired in a designer white cardigan from "Roys r Us" in Stokesley. Andy "Pensioner" Wetherell made a welcome return for Redcar hitting 50 as we knocked off the runs by 6 wkts. Andy was assisted by Rumbustious Steve Lee who hit 29 but unfortunately not being the quickest runner between the wickets these days Steve was run out by yet another *pensioner* fielding at mid off. It was later established that the fielder was the older brother of bowling green Bertie.

2<sup>nd</sup> team all-rounder Mick Smallwood is Manager of Redcar Rugby Club Sunday morning football team and had some bad news last week. His star goalkeeper Callum Brown put in a transfer request to join Atletico Kebab.
