## Redcar CC August Monthly Summary

**1<sup>st</sup> X1** August campaign began with yet another rain effected draw v Darlington RA who made 28-4 before the match was abandoned. We then drew at Guisborough in a close fought battle. After his miraculous recovery from his wrist injury Tyler Easton saved us again with a stylish 83 out of 189 all out. Guisborough made 176-7 in reply with a welcome return to form by Shaggy McGarry with 3-38. The following week we were matched with Guisborough again at home and surprisingly lost by 34 runs after hey made 217-6. We were looking good on 174-4 but inexplicably lost our last 6 wkts for 12 runs including three ludicrous run outs and finished 186 all out. We were then washed out in the "Big One" at Bishop Auckland. On Bank Holiday Monday we beat Marton by 8 wkts after Callum Brown span his web taking 5-27 in their total of 130 all out. Tyler steered us home with 35 not out. By the end of the month our promotion hopes were looking slim until Bishop Auckland were sensationally defeated by Marske 2nds. This means that with 3 games left Saltburn have won promotion already but Bishop Auckland are only 4 points ahead of us and they play Champions Saltburn home and away as their last 2 games! We play Blackhall away, Marske 2nds home and Whitby away so it should be a fight to the finish for the other promotion spot.

**The 2nds** had a disastrous defeat to Great Ayton who smashed 316-2. We were 166 all out despite a valiant 45 not out from Haris Abdullah. They bounced back by hitting Seaton Carew for 253-4 declared. Justly fitting in Olympic year two players achieved PBs, Steve Lee hitting his first century of his rollercoaster career, 112 not out, and Adam Pickard then skittled Seaton for 70 with a career best performance of 8-31. Skipper Ben Hodgson made 75 not out in an outstanding 4<sup>th</sup> wkt partnership of 183 with Steve. Next was Barnard Castle away and we lost by 7 wkts with a depleted side. We struggled to 148 in 48 overs with Steve "Usain" Lee 31 and Keith Munro 33. Skipper Ben "Lambo" Hodgson took 2 wkts.

**The 3rds** hammered Marton bowling them out for a paltry 58. Third team legend Craig Potter was too good with 5-32 and ably supported by youngsters Danny Jones and Rob Munro with 2 wkts each. Jonathon Cooper made sure of an early finish with a typically rumbustious 25 not out. They then lost to table topping Darlington by 70 runs. Darlo made 160-9, Sam Berry 4-29 and Brad Halliday 2-12. Top score in our 90 all out was Veteran Andy Wetherell with 25. We then drew with Guisborough in a rain effected match. They made 124 all out before the heavens opened yet again. Left arm spinner Ian Patchett with 4-27 and Davey Corps, Brad Halliday and Craig Potter 2 wkts each.

## REDCAR CC NEWSLETTER – AUGUST 2012

The highlight of August was the winning of The Under 17s Junior Cup against Stockton. The final was played at Stockton and we bowled them out for 95 with Sam Berry 3-21, Billy Hodgson 2-13 and Jonathon Cooper 2-14. Skipper Tyler Easton and Sam were the mainstay in our reply with 32 not out and 32 respectively in our 8 wkts victory. ### Juniors Summary August

Our U13's played in our own annual 3-day Norman Fishpool 6-a-side competition and were unlucky to lose to Thornaby at the semi final stage. Thornaby went on to win the tournament in a close fought final against last year's winners Saltburn. The 3 day competition was a huge success and special thanks go to groundsman Steve Knight and Graham Easton for its organisation and the diligent work of the catering staff of Lynne and Lauren Hood, Krysha Reeves, Linda Gomer, Sue Corps, and Carol Fowler. Thanks also to Umpires Ian Lumb, Julie Pink, Gav Readman and Callum Brown.
